

Harold Burgess

Holmes Chapel

His Story

We have found no reference to link Harold Burgess to Holmes Chapel except his entry on the Church Roll of Honour.

There is also a Harry Burgess (see 54) on the Roll of Honour but we cannot find two men present in the village at the time.

His War Record

There is a report that H Burgess was with the Royal Field Artillery in October 1914 and serving abroad in August 1915.

There is no record of a second H Burgess in the Parish Magazine so Harold remains a mystery.
