His Story

A Thomas Gough, born in 1892, was working on a farm as a waggoner in 1911 at Allostock. This is the nearest connection we can find to Holmes Chapel although he is recorded on the Church Roll of Honour.

In 1918 a Thomas Gough married Agnes Davenport who came from Brerton which indicates another possible link to the village.

A Thomas Gough died at Crewe in August 1967.

His War Record

There is no reference to Thomas in the Parish Magazine nor has any military history been found.
