

Daniel Steele

Holmes Chapel

Returned

His Story

We know absolutely nothing about Daniel's life before the war. There were however four families with the name Steele living in Holmes Chapel in 1911 so it is likely to be a son or relation of one of the families who was not at home at the time of the census.

It is also possible that his name was incorrectly recorded as there was a Samuel Steele living in Macclesfield Road who was of the right age for joining the forces, so it may have been him.

His War Record

We know almost nothing about Daniel's war record except that he enlisted into the Denbighshire Yeomanry in October 1914.

There was no further news in the Parish Magazine.
